Original Art for your Home or Business

**Mosaic art / Paintings / Torso- and Bellycasting**

## **PURCHASING OPTION:**

All artworks are priced individually. Please contact Christa Gampp for a list of available works or visit the website (works that have been sold are identified on the website as part of a 'corporate or private collection').

The purchase of an artwork makes a thoughtful gift for valued clients or staff, newlyweds, new home owners, and art lovers alike. Original Canadian art is a tax-deductible business expense.

**Christa Gampp accepts commissions for private and corporate clients.**

## **ARTWORK RENTAL:**

Renting a painting or sculpture enables individuals and corporate clients to enjoy original works of art at an affordable cost. For potential buyers, this option provides an opportunity to live with a work of art before committing to the final purchase.

No long term rental is required. The rental of art is a great way to enhance your home or office décor while avoiding the capital outlay required for a purchase.

Rental periods range from one to twelve months, and up to three months of the rental fee can be deducted from the ultimate sales price, if the work is purchased. Rental fees are determined by the value of the work and range from \$30 to \$50/month.

## **GIFT CERTIFICATES:**

Gift certificates are a great idea for the art lover in your life. They are perfect for weddings, birthdays, retirements or any special occasion. Gift certificates are available in any denomination and can be redeemed toward the purchase or rental of an artwork.

## **PAYMENT METHODS:**

We accept personal cheques and cash. For large purchases, payments of equal installments can be arranged. Delivery is free within the Greater Toronto Area. Installation can be arranged for a fee.
